

Bruce, Wil, Geordi, Jean-Luc, and Miles are worried about you.  
Especially Miles.

23% of US adults are kitten deficient.  
Don't be one of them.

These actual kittens are ready to help.  
(except the one in the back, but he'll wake up soon)

They are available for adoption through IAR.  
contact: [am@virtueofthesmall.com](mailto:am@virtueofthesmall.com), (919) 967-6196,  
or <http://animalrescue.net/C-10-270>  
(the web page is for their mother,  
and has links to the kittens at bottom)
